Let's Make Light - Engineering Considerations

Engineering

Design
- Light Source
  - Organic
  - Inorganic
  - Attractiveness
  - Light distribution
- Housing
  - Materials
  - Efficiency
  - Functionality
  - Features
- Circuit
  - Power Source
    - Individual
    - Communal
    - Fossil
    - Renewable

Core
- Circular economy
- Physical Resilience
- Electrical Resilience
- Repairability
- End user input
- Cost

Manufacture
- Modularity
- Replicability
- Simplicity
- Capital Cost
- Supply Lines

Sales
- Distributor
- Direct
- Salesforce
